¿POR QUE ESTE PARQUE ES ESPECIAL Y DIFERENTE?

- Es uno de los bosques lluviosos más accesible del mundo.
- Es el primer eslabón del corredor biológico trans-oceánico.
- Es un salón de clases para estudiantes.
- Protege un bosque seco del Pacífico casi desaparecido... hogar de plantas y animales muy interesantes.
- Tiene sitios históricos y piezas arqueológicas.
- Esta administrado por un patronato sin fines de lucro y no por el gobierno.

WHY IS THIS PARK SPECIAL AND DIFFERENT?

- It is one of the most accessible rainforests in the world.
- It is the first link in a trans-oceanic biological corridor.
- It is a classroom for school children.
- It protects rare Pacific dry forest...home to many interesting plants and animals.
- It contains historic sites and artifacts.
- It is managed by a non-profit organization, not by the government.
