Presentation given at the PES and REDD workshop

Course: Payments for Ecosystem Services and REDD for Community Leaders

(Curso: Pago por Servicios Ambientales y REDD para Líderes Comunitarios)

May 24-27, 2010 Puerto Maldonado, Madre de Dios, Perú

Organized by

Forest Trends, Initiative for the Conservation of the Andean Amazon (ICAA), Institute for Amazonian Environmental Research (IPAM),
Association for the Conservation of the Amazonian Basin (ACCA), Peruvian Society for Environmental Law (SPDA) and the
Organization for Tropical Studies (OTS);

In collaboration with

the World Agroforestry Center (ICRAF) and the National Service for Protected Areas (SERNAP);

With support from

the Moore Foundation, the United States Agency for International Development (USAID), the United Nations Development Program (UNDP), the Global Environmental Facility (GEF) and the Norwegian Agency for Development Co-Operation (NORAD).

This workshop was made possible by the generous support of the American people through the United States Agency for International Development (USAID), under the terms of the TransLinks Cooperative Agreement No.EPP-A-00-06-00014-00 to the Wildlife Conservation Society (WCS). TransLinks is a partnership of WCS, The Earth Institute, Enterprise Works/VITA, Forest Trends and the Land Tenure Center. The contents are the responsibility of the authors and do not necessarily reflect the views of USAID or the United States government.

REDD+

¿Podemos hacerlo un incentivo justo?

Lucio Pedroni lpedroni@carbondecisions.com

REDD +

Reducción de Emisiones por Deforestación y Degradación de los Bosques

Conservación de bosques Manejo sostenible de bosques Aumento de existencias de carbono (Forestación y Reforestación)

Forestlandia Potencial para REDD y para REDD+

REDD+

En los próximos 10 años

0.0 % ~ 10% del "potencial territorial" pero genera reducciones de emisiones.

90% - 100% del potencial de mercado

90% ~ 100% del "potencial territorial" pero no genera reducciones de emisiones (excepto A/R).

NO CALIFICA PARA UN MERCADO!

0.0% - 10% del potencial de mercado (A/R)

Forestlandia

¿Quiere decir que solamente aquellos que deforestaron en el pasado van a recibir un incentivo?

Forestlandia

Un posible esquema

Un posible esquema

- Pero así no termina el cuento ...
- ¿Qué dan a cambio los beneficiados en las áreas azules?

¿Qué podrían dar a cambio?

Algunas ideas:

Compromiso de seguir conservando

Compromiso de invertir en su propio desarrollo

✓ Educación

✓ Salud

✓ Organización comunitaria

✓ Proyectos productivos sostenibles
